Dear Parents/Carers

We will be celebrating our International Day on Friday 12th May. We would love your children to come dressed in their own national dress or in clothes with an international flavour! Children will participate in activities in their classes in the morning and will come together to parade, sing, dance and eat in the afternoon.

Traditionally, the children have the opportunity to taste food from other countries and cultures during International Day. If parents feel they can bring food to share this would be greatly appreciated! Please bring your contributions to the staffroom on the morning of Friday 12th. Thank you in advance.

Parents are invited to join us in the school playground from 2pm on the day. If you would also like to dress in national costume, we would be thrilled!

***YELLOW BASE PARENTS**

Yellow Base Children will still take part in Forest School in the morning (and will come back up to school later to take part in International Day) so please make sure your children are dressed in their Forest School clothes and bring their packed lunch. If they would like to change for the afternoon celebration, please bring their costume in a bag and put it on their coat peg. They will have time to change after lunch.*

We look forward to a wonderful afternoon celebrating our fabulous, diverse school community and hope that many of you will join us!

Kind regards

Catherine Timbers
