Dear Parents/Carers

As part of your child's physical development, which is a prime area in Early Years, we are introducing a 'Balance ability' course to promote and encourage an essential life skill.

These coaching sessions are for all Foundation Stage 2 children. The six sessions will take place during school time starting Thursday 27th April for six weeks including Thursday 8th June (after the holiday).

The coaches will bring fifteen bikes for the children to use, however, if your child has their own bike, please bring it along.

(We need to assess how many serviceable school bikes we have available).

Please note your child does not need to be able to ride a bike, these sessions are intended to teach or improve their balance skills.

There is no cost for this activity.

Kind regards

Gail Hutt - Class teacher /P.E. Co-ordinator
