### Can you help us?

We need collections of natural materials ... pine cones, pebbles etc. in Red Base for counting, measuring, pattern making. When you walk in the woods or on the beach bear us in mind.

### Archaeological Dig

Thank you to Kathy Harbord and Broomhill Library for including some of our children, they really enjoyed the experience. If parents are interested to learn more about what the children have been doing, there are photos on the Twitter accounts of the library and university.
