Dear Parents/Carers

The Chair of Governors and I recently wrote to Broomhill Parents to alert them of Broomhill's current financial position and the steps we are taking in response to a significantly reduced budget. You will be aware of the staffing restructure we are undertaking to accommodate this.

Unfortunately, the staffing changes are insufficient to bring Broomhill to a sustainable financial position for the future and I have had to consider carefully with Governors what further steps we can take.

We have decided to terminate our tenancy agreement with Sheila Kay who currently offers Broomhill after School Club (BASC) and the linked Breakfast Club. We will be providing parents with our own after school and breakfast club. Governors have agreed that the School should provide wraparound provision with a view to improving its long-term financial sustainability.

We thank Sheila for the service she has provided to Broomhill children and parents over the past few years and wish her good luck for the future.

Please feel free to contact me with any questions/queries regarding the new provision.

Kind regards

Catherine Timbers –Head teacher
