Head teacher: Mrs Catherine Timbers

11<sup>th</sup> December 2018

Dear Parent/Carers

Next half term our learning challenge question will be 'Why is the desert hot and the Arctic cold?' To spark the children's interest and imagination we will be visiting Weston Park Museum and taking part in a workshop about animal habitats. Below is a brief description of the workshop.

*From the Arctic to the moors around Sheffield, your class will find out about the habitats of a variety of creatures. Children will enjoy seeing real creatures up close and discussing why they make their homes where they do. The children will then create a theatre backdrop for our animal hand puppets, we will then perform a puppet show which explores where the animals live.*

**The cost of the workshop is £5.75.**

Red base - Tuesday 8<sup>th</sup> January half day

Yellow Base - Tuesday 8<sup>th</sup> January half day

Will walk down from school after registration and will return for lunch.

Blue Base - Monday 14<sup>th</sup> January - full day. The children will need a packed lunch.

Green Base - Thursday 10<sup>th</sup> January - full day. The children will need a packed lunch.

Will walk down after registration.

The children will take part in the habitats workshop as well as exploring the museum.

Kind regards

Susan Jones - Blue Base class teacher

.....

I enclose £5.75 [     ] please tick - for my child ..... to attend the animal habitat workshop at Weston Park Museum.

Signed Parent/Carer .....
