Dear Parents/ Carers

As you all know Broomhill is a truly international school. We are proud of the many nationalities and countries we represent from around the world. You may have seen the map in reception which shows where our families come from. As a follow on from our fabulous International afternoon it's time for us to update the map and we need your help! Please complete the slip below showing your child's background heritage and country/countries of origin and return to school.

The map will be a visual display of our fabulous diversity!

Many thanks

Kind regards

Catherine Timbers
