Broomhill Infant School

Subject Leader Evaluation and Action Plan – September 2024
Subject: Computing

Strengths	Areas to Develop	Priorities for Development	CPD/ Resources
Subject Leader teaches Computing in some classes across school. NCCE Teach Computing scheme is comprehensive and covers the curriculum throroughly. Teachers are increasing their skills in teaching Computing. Purplemash learning platform provides all facilities to deliver the curriculum and home access. Pupils are enthusiastic about the subject.	Continue to implement new planning formats in line with whole school planning. Consider changing the order some of the units are taught in and add sessions in Y2 on how to search the internet and cautiously introduce the use of AI. Subject leader to drop in to Computing lessons during subject leadership time if possible. Up to date hardware- to acquire more chromebooks or laptops if possible. Subject leader to carry out curriculum impact reviews to evaluate learning, in line with evaluation timetable. Identify	Support teachers and teaching assistants in delivering the curriculum: Provide the learning resources as necessary and training in how to use the programs. Continue to develop monitoring and assessment systems along with curriculum impact reviews.	Learn Sheffield, training. Purplemash training/ CPD to be arranged. NCCE resources online.

	any gaps in learning and ensure gaps are plugged. Continue to develop monitoring and assessment systems.
