15 April 2025

Dear parents and carers,

As a WOW for our topics 'How do bees make honey?' and 'Who laid this egg?' we will be immersing ourselves in all things bees!

Bee Day - Monday 28th April

We would love the children to come to school dressed in bee colours!

Throughout the day we will:

- Find out about the importance of bees in our environment.
- Further develop our art skills by drawing/painting bees.
- Apply our knowledge of structures and shapes to build a bee hive.
- Look at and taste different varieties of honey (or a vegan alternative).
- Listen to a talk from a local beekeeper.

We hope that the children will have a wonderful day and be thoroughly immersed in their learning.

Many thanks for your continued support.

Best wishes

Janes Barnes
