National Curriculum KS1		<p><u>Geographical skills and fieldwork</u></p> <ul style="list-style-type: none"> I can communicate my geographical understanding in different ways (e.g., maps, pictures, films, writing). I can describe a locality using my observations. I can use simple resources to research and find out about places. <p><u>Location knowledge</u></p> <ul style="list-style-type: none"> I can locate the seven continents on a world map. I can compare a part of the UK to a non-European country using written evidence and pictures. <p><u>Human and physical geography</u></p> <ul style="list-style-type: none"> I can apply my knowledge of physical and human features to selected countries in the world. I can discuss climate change and its impact both locally and in a non-European country. <p><u>Place knowledge</u></p> <ul style="list-style-type: none"> I can use simple geographical vocabulary (e.g. hill, road, coast) 						END POINT
Substantive Knowledge		To know the names of the seven continents.	To know which continent the UK is part of.	To know the names of some famous landmarks across the world.				
Key vocabulary		United Kingdom, Europe, Asia, Africa, North America, South America, Australia, Antarctica landmark, climate						
Disciplinary skills	KS1	To locate the seven continents on a world map.	To compare a part of the UK to a non-European country.	To describe the location of some famous landmarks using geographical vocabulary.				
	Y1	Identify, observe and describe.						

	Y2	Describe, compare and contrast, reason				
<p>Key Stage 1</p>	<p>Lesson: Seven Continents Song (youtube.com) Learn the song! Use an atlas and globe to name and locate the seven continents.</p> <p>Photograph and annotate the floor book with things the children find out.</p>	<p>Lesson: Revisit locating the UK on a globe.</p> <p>Next find Australia. Discuss what might be similar and different based on their location.</p> <p>Geography KS1 / KS2: Living in opposite climates - North of England and North Australia - BBC Teach</p> <p>Watch the video comparing Townsville, Aus and Mossley, UK.</p>	<p>Lesson: Use the Go Jettters ppts, BBC Teach video clips and other resources (see folder) to explore the continents. *You might want to start with Antarctic as this has a good recap of hot and cold places.*</p> <p>For each continent children could:</p> <ul style="list-style-type: none"> • Draw an outline (or colour in a pre-drawn outline) • Name the continent. • Locate and label some famous landmarks. • Describe the climate. • Use Widgit to label or compose sentences. • Add their own pictures or facts to a Widgit word mat. 			<p>To share their fluency of knowledge about the names and location of the seven continents using geographical vocabulary.</p>
	<p>Children to draw pictures comparing climate, hobbies, location (hilly, flat, coastal). Record in floor book or in topic books.</p>	<p>The seven continents. By Miss Jones</p> <p>I live in Sheffield. Sheffield is part of the United Kingdom.</p> <p>The United Kingdom is part of Europe.</p>		<p>Europe is the 6th largest continent.</p> <p>It has warm summers and cool winters.</p> <p>The Eiffel Tower is in France.</p>		

Europe is the 6th largest continent. It is north of the equator. The climate is mild. It has warm summers and cool winters. Famous landmarks:

- The Eiffel Tower is in France.
- The Matterhorn is a huge mountain in the Alps.
